THE WAY WE BORE

"The Way We Bore" was one of your
best movie satires. Larry Siegel and Mort
Drucker certainly couldn't be boring!

Jonathan Listig
Lakewood, N.J.

"The Way We Bore" is right! You *and*
the movie bored me to sleep. But Mort
Drucker's art work was fantastic!

Mike Sherard
Orlando, Fla.

I was sickened at the way you skewed
the whole movie into a "teenie bopper"
story! That was a beautiful movie and it's
a shame that you had to tear it to shreds.

Becky Robinson
Glastonbury, Conn.

I made the Guinness World Record
Book for non-stop yawning. Keep up the
good work, Larry and Mort.

Louis Barbarite
Mastic Beach, N.Y.

Barbara Strident should have been yell-
ing something altogether different from
"Ban the bomb!" It should have been,
"Boycott MAD! Boycott MAD!!"

Marc Covert
Portland, Oregon

MAD GUIDE TO RECYCLING GARBAGE

Al Jaffee's "A MAD Guide To Recy-
cling Garbage" was great. I'm now trying
to find a way to recycle my collection of
MAD magazines.

Bo Barhite
Moultrie, Ga.

I loved Al Jaffee's recycling old clothes
and ties into winter clothes for pets. I'd
like to see his designs for a lounging robe
for my six ounce parakeet.

Joanne D'Alcomo
Boston, Mass.

The expressions on the characters are
just too much. This is easily Al Jaffee's
best effort!

Charles Gloman
Hazleton, Pa.

Surprisingly, most of the ideas could be
used in real life. You know what I mean,
besides just kidding around.

Mike Miller
Montreal, Canada

What happened? Many of Jaffee's re-
cycled items actually made sense!

David Kaspar
Bakersfield, Calif.

MAD CONSERVE ENERGY COVER

Your "MAD Leads The Fight To Con-
serve Energy" cover was a bright idea!

Jay Armstrong
Green Bay, Wis.

I took a dim view of your cover 'cause
I tried to read the issue by my Donald
Duck nightlight!

DeAnne Oakland
Ramapo, N.J.

PARENTAL NON-SEQUITURS

Just a note from a Mom who always
buys MAD for the kids and takes the Na-
tional Geographic to appease her guilt. A
Non-Sequitur at our house:

WHAT YOU SAY TO YOUR PARENTS:

"Mom, guess what! The new issue of
MAD is on the stands. Let's buy it."

WHAT YOU HOPE THEY WILL SAY:

"Quick, find my car keys. We'll go right
down and get it now; a copy for you, and a
copy for me, so we won't have to wait
turns to read it."

WHAT THEY WILL PROBABLY SAY:

"You just reminded me, you didn't take
the trash out this morning. I'm not going
to add to it; there's enough trash here
already."

Mrs. Midge McWhister
Palm Springs, Calif.

Your "Parental Non-Sequiturs" seemed
almost relevant. I was pleased to see your
magazine using more sophisticated words
like "Non-Sequitur," which we used not
too long ago in my Latin II class. It ap-
pears to be the perfect phrase since it
means "illogical argument." In my opin-
ion, MAD is just one big Non-Sequitur.

Janet Lee Gross
Hawthorne, Calif.

Either Stan Hart and I have the same
mother or there are Xerox copies of her
floating around, all over the nation.

Shawna M. Martin
Delano, Calif.

A MAD LOOK AT MARRIAGE

My Mom and Dad said "A MAD Look At Marriage . . . Before And After" is so true. I can't tell. I didn't know them *before* they were married.

Kathy Quinn
Waretown, N.J.

LIGHTER SIDE OF THE ENERGY CRISIS

While reading Dave Berg's "The Lighter Side Of The Energy Crisis" I fell asleep with the light on.

Jack Degnan
Garden Grove, Calif.

BILLY JOCK

Your "Billy Jock" was the most overpowering thing since Watergate, especially when I took my shoes off and read it.

Mike Weidman
Corunna, Mich.

Having seen the movie, I thought Stan Hart and Angelo Torres did a very perceptive job.

Carol Smith
Orinda, Calif.

I thought the movie "Billy Jack" was superb, but Hart's satire murdered it beyond recognition. So don't expect any recognition for it!

Joe Boudreaux
Shreveport, La.

"Billy Jack" left me in tears. "Billy Jock" left me in tears . . . of laughter.

Barbara Kirkner
Novato, Calif.

As long as I live, I'll remember reading "Billy Jock." It all started on a Saturday morning . . . or was it a Tuesday afternoon . . . or maybe it was a Friday evening . . . anyway, I'll never forget it . . .

Ray Pence
Sinclair, Wyo.

A MAD MEDICAL REPORT

I think Frank Jacobs is an excellent writer and "A MAD Medical Report" was worthy of him. Although I live in Canada, I am aware of the degrading of your National Symbol, and Frank Jacobs expressed this superbly. Irving Schild's photo of the abused Uncle Sam accentuated the ailments.

Perry Hancock
Gander, Newfoundland
Canada

Frank Jacobs diagnosed Uncle Sam perfectly! Now if they could only find a cure . . .

David Williams
Shawnee, Okla.

Why all the fuss? I hope I look that good when I'm 198!

James Randleman
Fair Oaks, Calif.

Remember the good old days when Hollywood used to make horror movies about vampires, werewolves, zombies, seventy foot apes and other assorted monsters? Let's face it, they were all disgusting creatures, but there was still something kinda harmless and loveable about them. Well, those days are gone forever. Today's film makers have come up with something *really* disgusting. Yessiree, you screamed at "Frankenstein," you shrieked at "Dracula" and you shuddered at "King Kong," but take it from us . . . those guys were all a bunch of pussycats when compared to . . .

Hello! I am Father Merry . . . a Catholic Priest in charge of this archaeological excavation project here in the Middle East . . . where we are searching for ancient religious artifacts!

Dig . . . my Arab children! Keep digging until we find something important!

We're digging! Stop bugging us!

Yeah, Father! No kidding! You're getting to be a pain in the neck!

Hear how they talk to me? But, I will not despair! You think it's tough for Priests to get MOSLEMS to obey them? You should see the problems we have with CATHOLICS nowadays!

What in heck are we looking for, anyway, Abdul!

The answer to the second greatest mystery of all time!

The SECOND?! What's the NUMBER ONE greatest mystery?

Why a picture about a horrible thing that happens to a little girl in Washington, D.C., spends the opening fifteen minutes on a dumb mountainside here in Iraq!

Father Merry! Come quick! I have dug up something incredible! It is magnificent . . . priceless! Men will destroy each other for its possession! Governments will topple . . .

ARTIST: MORT DRUCKER

WRITER: LARRY SIEGEL

Oh, Dr. Klown! Thank heavens you've come! I need a Psychiatrist so badly!

The way I see it, Mrs. McSqueal, your **Oedipus Complex** is the result of a **Father fixation** brought on by an early enema, and—

Wait, Doctor! You don't understand!

All right! How's this? You have a **pathological fear of sex** as a result of a **deep-rooted psychosis** arising from a **traumatic pre-natal hernia!**

No, Doctor! No!!

My, my! Aren't we **picky today!** All right, you have **dementia praecox**, and **THAT'S IT!** I'm a very busy man!

Doctor, it's not ME! It's my little girl!

Look at her, Doctor! Look at this room! The **bed** is shaking, and she's covered with **blood**, and she's violating a **cross**, and that weird **evil voice** is coming out of her mouth!

What am I going to do??

I assure you, Mrs. McSqueal, you have **nothing** to worry about!

Nope! But your little girl—now **SHE's** got a problem!

Yiccchhh! Le'me out of here!!

I don't??!

What's going on, Saran? There's a **big crowd** outside!

Bad news, Mrs. McSqueal! **Burpp** was mincing around in **Ravin's room**, and now the **window's** smashed and he's lying **dead** in the alley outside the house!

Oh... no! Poor **Burpp!** If I told him once, I told him a **million times: Don't try to fly home in a FOG!**

Uh... I'm **Lt. Kindergarten!** Can you tell me where I can find a Priest named **Father Tsouris?**

:Yes! I'm **Father Tsouris!**

YOU?!! Excuse me for being **personal**, Father, but what's a **Priest** doing running around a **track** on a **Sunday morning?**

Listen... the way **Church attendance** is nowadays, what **ELSE** is there to do! Did you ever try **SURFING** in this weather?

Father, we just found a **Director** named **Burpp** Denims with his head turned **completely** around!

I met him once! It **HAS** to be an **improvement!**

No, you **don't** understand! He's **dead**... and we suspect an **evil force** is at work!

Oh, well, there's a **LOT** of that going around here in **Washington!**

Well, if you get any ideas about the murder, call me! Meanwhile—if you're not doing anything some evening, how would you like to go to a movie with me?

Love to! How about **Christmas Eve?**

You're not doing anything on **Christmas Eve?!!**

Oh! How **idiotic** of me! Why, I forgot all about the **Roller Derby!** Let's make it **Easter Sunday!**

It's **MY** room, so get your **☆!★!☉** out of it!

Listen to that language! And look what she's doing to her **Mother!**

Isn't zat cute? Our little girl iss growing up! She's getting more like a **normal teenager** every day!

I've given Father Tsouris permission to perform an Exorcism, but he needs an older Priest to assist him!

I'd like to help him, but everybody is tied up in important work these days!

How about Father Reilly?
Don't be ridiculous! This is his BINGO WEEK!

How could I forget! What about Father Callahan?
In the middle of his Guitar Lessons!?

Foolish me! How about Father Clancy?
You know he's doing the "Merv Griffin Show!"

Say! What about Father Merry? Is he doing anything important these days?

As far as I know, he's conducting Mass and hearing Confession!
What a WEIRDO! Send him!

Who's out there? Are you the Exorcist?

No, I'm the Avon Lady—POSING as a Priest! Who do you think I am?

I've been told the subject is only an 11-year old child, so this Exorcism shouldn't take too long! Where is she?

UPSTAIRS, & @!*, MAKING OUT WITH A TENNIS SHOE!

Hmm! On second thought, I'd better unpack! Now... these are the standard tools for an Exorcism: The vial of Holy Water to douse the evil spirit, the Crucifix to hold the Demon at bay, and the Hostess Cupcake...

The Hostess CUPCAKE?!?

You know it, Father! Exorcisms take time! Believe me, long about Midnight, you can get mighty hungry!

Well, Satan! Are you prepared to feel the Wrath of God?

GET LOST, CRUD! YOUR CHURCH STINKS! YOUR BISHOPS TAKE PAYOLA! AND THE POPE READS PLAYBOY!

Hmmmm! We always uncover something new about the enemy at these rituals!

You just learned something new about the Devil, Father Merry? What is it?

Well, for one thing, I think he's Protestant!

TWENTY-SEVEN HORRIBLE, DISGUSTING, NAUSEATING MINUTES LATER...

Okay, Satan! You win! We give up! What do you want? What will you take to leave this poor child's body?

Now you're talking, you White Collar Workers! My deal is a simple, typically corrupt Hollywood deal! A guarantee of six more movies!

That's all you want? Six more movies?

That's it, Sweeties! Listen, I haven't had this kind of popularity since the Inquisition! All this publicity and interest! If you think I've got Cults and Followers NOW, just wait until six MORE "Devil Flicks" hit the nabs!

Well, he's gone! And Ravin is FREE! But, how could you make that deal? How could you promise him six more movies?

That was easy! Have you seen the lines of people, waiting to see this movie? Have you seen the grosses it's piling up? What ELSE does Hollywood need to start a trend! SIX more "Devil Flicks"? Why, I'd guarantee SIXTY... SEVENTY!

Oh, well... that's "SHOW BIZ"!!

ONE SUNDAY MORNING ON THE BEACH

THE MEET RACK DEPT.

Hi! I'm Mark Spritz! I'm famous for being a **Gold Medal Winner**! Unfortunately, I'm also a **Silver coin LOSER**! Mainly, I lost a toss with **MAD's Editor**...and now I'm stuck doing one of these idiotic interviews. So here I am with my special guest, Mr. Randolph Ripoff, who's been chosen

MAD'S "SINGLES ONLY" RESORT OWNER OF THE YEAR

Mark, baby...welcome to "The Groovy Life"...the only **X-Rated Singles Resort** in the mountains! Too bad you're married! Man, you could really score here!

Is this one of your guests?

This gorgeous hunk could make out with me anytime! Who cares if he's married!

No, that's my wife! Sarah, get back into the kitchen!!

ARTIST: GEORGE WOODBRIDGE WRITER: LOU SILVERSTONE

Tell the truth, Mr. Ripoff...isn't this nothing but a "Make-Out Joint"?

Of course not! "The Groovy Life" is dedicated to the liberated, aware Single! Here, he or she can meet other mature human beings, and together they can explore the possibilities of inner development and self-realization in a free, relaxed atmosphere!

Oh? And what does that mean?

It means if a Swinger plays his cards right, he can't miss!!

Didn't you used to call this place, "RIPOFF'S RUSTIC BUNGALOW COLONY IN THE PINES"?

Yep! We catered to a Family Trade! I was barely making a living! Then I read that there were **48 million unmarried people** in the country! Think of it! **48 million** lonely, unloved people! It made me cry!

You felt sorry for all those people?

No...I felt sorry for ME! All those clods with all that bread to spend, and I wasn't getting my hands on any of it!

What great personal sacrifice?

Uh . . .all I can
see are ugly fat
Secretaries and
homely dull
Accountants NOW!

A black and white cartoon illustration. In the foreground, a man with a mustache and a woman wearing a large, patterned hat are looking towards a group of children. The man is smiling, and the woman is looking down. In the background, three children are playing a game. One child is holding a ball, and another is running towards them. The scene is set outdoors with some foliage visible in the background.

It's **casual**, all right . . . but how come they're all dressed **ALIKE??**

That's what **YOU** think! I **CHANGE** the Official Uniform almost **every day!** Tomorrow, I'm featuring jeans cut off **BELOW** the knee, and **IVY LEAGUE COLLEGE JERSEYS** instead of Gag T-Shirts! We'll sell out our stock in a **couple of hours!**

What do you mean . . . doing nothing?!? This is our **Transcendental Meditation period!** They're all seeking inner peace! I find it a big help, too!

Who's got time to meditate?!?
As long as they're **SITTING**
there, I don't have to spend
money to **ENTERTAIN** them!
And **nothing** gives me inner
peace like **saving a buck!!**

A cartoon illustration of a wig store. In the background, a man with a mustache and a woman are standing outside. A sign on the wall reads "GLORIA STEINHEIM HAIRPIECES". A sign on a stand reads "SPECIAL ON JOE NAMATH WIGS". A sign on the wall reads "BE YOURSELF! WEAR A BURT REYNOLDS MOUSTACHE 15.95". A display case shows various mustaches. A wig is on a stand in the foreground.

Do you have **planned activities** or do your guests find ways to amuse themselves?

If we didn't tell these Pepsi Generation Swingers what to do 24 hours a day, they'd do nothing but eat! I figure it's cheaper to amuse them than feed them! So we offer real far-out activities like ping-pong, volley ball, hula hoops, yo-yo's, beer busts, bridge tournaments, Simon says, handball, tennis, shuffleboard, bocce and Mambo Lessons!

They don't sound very far out! Most of the other Singles Clubs I know have wild things like Sky Diving and Mountain Climbing!

If any of these overweight slobs climbed an **ANTHILL**, they'd collapse! But we do have a hot air balloon! It's the best investment I ever made! Hop aboard!

Why is this the best investment you ever made? Because it keeps your guests happy?

Even more important, it keeps them air sick, and they can't eat their dinner!

Yeah, I see what you mean!

Another favorite pastime here is our popular **Grope Encounter Sessions!**

Er—you mean **GROUP** Encounter Sessions!

No, I mean **GROPE!** We put everybody in one room, turn the lights off and let them grope!

Why do you turn the lights off? So that everyone will be less inhibited?

No . . . so they won't see what the person they're **GROPING** WITH looks like!

Dig this! Tonight is **Kung Fu Night!**

You're catching on!

This is our Kung Fu Master, Irving Chiang!

Ah . . . Greetings, Grasshopper! Remember that it is written . . . "He who will not defend his honor honorably will have no honor left to defend!" Or . . .

Hey, Irving! Save that Fortune Cookie jazz for the **PAYING** customers!

Yes! I see that everyone's wearing a Karate Outfit—which, I'll bet, you **ALSO** sell in your Boutique!

Tell me! Are you a **Black Belt?**

No! Are you a **Brown Belt?**

No, I'm more like a **Red Suspender!** I used to be a **FIREMAN!** Get it . . . ?

Knock it off, Irv! You're not the **Camp Clown** anymore! You're supposed to be a big Karate Man!!

Gee—sorry, Mr. Ripoff! I keep forgetting!

Do you **KNOW** anything about **Kung Fu** or **Karate**?

Only what I see on **TV** or in the **movies**!

Then . . . how can you teach it??

I don't **HAVE** to know anything! I'm **ORIENTAL**! These jokers figure that makes me an expert! So I just leap around and scream, "**YAH!**" . . . and then we drink tea, burn incense and discuss **Oriental Philosophy** . . .

We not only develop their **bodies**, but we also hold **rap sessions** to teach these clods to be **Swingers**! C'mon, we'll drop in on our "**Symposium For Self Betterment**" . . . conducted by our specially-trained **Guidance Counselor**!

Oh? Is he a **Psychologist**?

Who needs a **Psychologist** when I have an **unemployed Brother-In-Law**?

But . . . I thought you said that he was "**specially-trained**"?

He is! He reads "**Cosmopolitan**," "**Penthouse**," and "**Playboy**"!

Whenever you go to a **Singles Hangout**, never say you've been there **before**! Like . . . it's always your **first time**!

What's a good way to start a **conversation**?

You say . . . "**Hey**, didn't we meet last Summer at **Fire Island**?"

Uh—how about **CONEY Island**!

Never mention **Coney Island**! That's a **bad scene**! It's like admitting you still live with your **Mother**!

Gee, it's not **easy** being a **Swinger**! They got **more rules** than **plain civilians**!

Some of your guests seem kind of **OLD** for the "**Singles Scene**"! Don't you have an **age limit**!

You're as old as your **Bank Account**, I say! Actually, when the **Singles Movement** first began, anyone over **30** was considered **Establishment**! Now, suddenly, everybody's **30** . . . so the acceptable age for **Swingers** has been raised to **35**! If it keeps up, in twenty more years, we'll have "**Golden Age Singles Clubs**"!

Oh . . . by the way! How about you, Sir? Do you have any **children**?

I have a **daughter**! Isn't she a **beauty**? A real **Princess**!

Does she spend any time here?

Over my **dead body**! I wouldn't let her set **foot** in one of these **body shops**! This girl is **different**! She's an **old-fashioned girl**! I want her to marry a **Professional Man**! Hey, maybe you know some nice, eligible men in **TV**?

Uhhmm—I think I'll be **leaving**! Goodbye, Mr. **Ripoff**!

How about a **Doctor**? Could you introduce her to **Marcus Welby**? Or maybe his **Assistant** . . . ? Or how about a nice **Lawyer** . . . ? Like **Owen Marshall** . . . or . . . **Hey!** You know **Doc Elliot** . . . ?

This is **Mark Spritz**—signing off for **MAD!** Magazine!

SPOOKING FROM PICTURES DEPT.

There is one gnawing suspicion that begins to grow within everyone who has spent a few days in a hospital. It's that vague feeling that the members of the staff are engaged in a giant conspiracy of indifference, incompetence and inhumanity calculated to make patients suffer as much aggravation, worry and discomfort as possible. Of course, there never has been any proof to substantiate a claim that hospitals deliberately set out to make us feel more miserable than necessary for longer than necessary. At least . . . until now! By accident, MAD has come into possession of a damaging little booklet that no layman is ever supposed to see. For the satisfaction (and possible legal use) of those who have suffered the slings and arrows of outrageous hospitalization, we herewith reprint a part of the diabolical pamphlet that confirms even our wildest suspicions.

SIMULATED GALLSTONES. There's never a need to fear that unnecessary gall bladder surgery may lead to malpractice suits when you keep a supply of these convincing fakes on hand to show victims afterward. Made of finest hand polished gravel, and then pickled in brine to give them that authentic "medical" look.

374—"PICKLED PEBBLE" BRAND PHONY GALLSTONES . . . \$2.69 quart
(Specify color desired: Sickly Grey, Bloody Red, Festered Yellow)

MAKE PATIENTS THINK YOU SUPPLY CLEAN BED LINEN REGULARLY with a dazzling display of our finest new laundry bag carts. Even the most skeptical will never guess that you merely rip dirty sheets off one bed and put them on another when they see hallways filled with these rubber-tired, sanitary looking beauties.

921—DIRTY-LINEN-IN-PUBLIC CARTS . . . \$49.95 dozen
921A—SAME, BUT WITH CAST IRON WHEELS FOR NIGHT USE . . . \$69.95 dozen

STIFF, STARCHED BED SHEETS. Supplement patient agony with bed sores induced by lying on these rigid beauties. Specially made for hospital use of coarse, bleached hemp fiber. Permanent starch will never weaken, even in institutions that launder their linen occasionally.

273—PATENTED "FLESHSCRAPER" BRAND BED SHEETS . . . \$3.50 ea.

CANNED FLOOR SWEEPINGS IN CREAM SAUCE. The ideal hospital food budget stretch-er. Thick, gooey texture makes this crud look just like those unidentifiable vegetables you've been serving to inmates all along, yet it costs much less than real food. Guaranteed to silence complaints about greasy veal cutlets and dry harvard beets, which will suddenly taste rather good by comparison.

781—CREAMED FLOOR SWEEPINGS (No. 2 Cans) . . . \$7.75 per gross

RECONDITIONED AMBULANCE SIREN. Why spend thousands on a whole ambulance just to awaken sleeping patients with those fake-3 A.M. emergency runs? Create the same jarring effect cheaply by having a night janitor run around the building with one of these authentic sirens. All were removed from real ambulances to conform with new noise pollution laws, and are on sale at discount for quick clearance.

877—"SCREAMING EAGLE" AMBULANCE SIREN . . . \$27.50

REVERSIBLE HOSPITAL GOWNS. There's no cause for alarm when patients accidentally put these shapeless draw-string creations on backwards, as each is guaranteed to leave something embarrassing exposed no matter how it is worn. Available in all popular styles: Wide gap, Wider gap and Falling off completely.

616—DOUBLE EXPOSURE HOSPITAL GOWNS . . . \$7.35 dozen

BLOOD PRESSURE GAUGE IS REALLY A BAROMETER! Amazing device enables doctors to pretend they are examining patients while actually checking weather conditions for afternoon golf game. Precision mechanism foretells rain, hurricanes, monsoons and most other natural phenomena, except death from high blood pressure.

347—GOLFER'S PAL MEDICAL BAROMETER . . . \$19.95
347A—DELUXE MODEL AUTOGRAPHED BY JACK NICKLAUS . . . \$24.95

FAKE INTRAVENOUS FEEDING EQUIPMENT. Ideal for hospitals that get lots of complaints about serving creamed chipped beef twice a day. Just wheel one of those authentic looking outfits into a room and watch patients eagerly gobble whatever they're served. Made of inexpensive cardboard and plastic, but comes with extra long needle to let inmates know what's in store for them if they refuse to eat.

814—INTIMIDATING INTRAVENOUS OUTFIT . . . \$9.75 per set

MIRACLE CHILL RUBBING ALCOHOL. Thanks to modern science, back rubs can now be as excruciating as everything else done to people in your hospital. Amazing new ingredient (dry ice) keeps this alcohol at least 80 degrees below body temperature, even on hottest summer days. Helps maintain patient discipline by making a rub-down a feared torture rather than an enjoyable reward.

5516—MIRACLE CHILL ALCOHOL \$1.19 per gallon

TURN DEADBEAT VISITORS INTO PAYING PATIENTS by polishing your hospital floors with Slide-Glo Wax. Buffs vinyl surface to a slippery shine that helps you quickly fill up those vacant beds with fracture victims. Yet Slide-Glo leaves floors completely safe for staff members, assuming you've outfitted them with deck shoes.

944—SLIDE-GLO HOSPITAL FLOOR WAX \$31.50 per drum

METAL TRAYS WITH CONCAVE BOTS create up to 45 decibels more racket when dropped on hospital floors in the middle of the night. Extra resonance can awaken patients over a three-floor area. Especially good for causing relapses in cardiac wards. Made of finest galvanized steel by the Greater Sheboygan Kettle Drum & Hospital Tray Corp.

364—"BIG BANG" BRAND HOSPITAL TRAYS \$11.50 dozen

INACCURATE SCALES help convince puny patients that they're slipping away even faster than they thought. Precision magnetic device automatically deducts ten pounds from true body weight to bring on quick relapse, even among those who are actually recovering.

465—INSTANT EMACIATION SCALES \$39.50

KEEP VISITORS FROM USING YOUR ELEVATORS with a set of catchy, discouraging door signs. No hospital wants mobs of raunchy relatives going upstairs to annoy staff members with complaints about treatment of loved ones. Forcing them to use steep stairways discourages up to 80% of unwanted visitors from trying to get off the ground.

465—ASSORTED ELEVATOR DISCOURAGEMENT SIGNS \$1.50 dozen

LET SECOND HAND X-RAYS CONVINCE YOUR PATIENTS of the urgent need for surgery. Laymen never recognize their own X-rays anyway, so why cut into your profit by taking new pictures that may cost as much as \$2.50 each to produce? We have made a bargain purchase of the complete files of a bankrupt radiologist, and pass the savings along to you.

114—ASSORTED BONE AND INTERNAL ORGAN X-RAYS \$1.60 dozen

TREAT ANYTHING WITH MIRACULOUS NEW BRIGHTLY COLORED PILLS. Are you discovering that old fashioned white sugar pills can only be palmed off on patients as aspirin? Then step up into the big profit pharmaceutical field now with sugar pills containing the new wonder ingredient, vegetable coloring. Available in Antibiotic Blue, Tranquizer Yellow and Pain Deadening Pink.

517—STRICTLY NON-PRESCRIPTION MIRACLE DRUGS \$11.50 per 10,000

SILENCE WHIMPERS ABOUT HIGH MEDICAL COSTS with these authentic looking plaques that proclaim how generous others have been. Heartfelt messages could even prompt neurotic, guilt ridden patients to pay more than they owe. Most important, your cost of plaques to acknowledge tax deductible gifts may be tax deductible, too.

57932—BRONZE WALL PLAQUES \$29.95 ea.

6—PAPER PLAQUES APPEALING FOR DONATIONS TO BUY BRONZE PLAQUES 29¢ ea.

BOTTOM SHOCKER BED PAN. Heavy gauge steel construction keeps this deluxe pan horrendously cold for hours after removal from refrigerated stockroom. Nurses and orderlies will have a barrel of laughs watching unsuspecting victims react as warm flesh adheres to frigid metal. Especially good for awakening patients to give them their sleeping pills.

519—"ARCTIC TAILS" BED PANS \$13.50 dozen

INCREDIBLE SAVINGS ON SOLID GLASS FEVER THERMOMETERS! It's the mercury in standard thermometers that runs up the cost, so we've left it out of these! Quite adequate for hospital use since nurses never allow patients to see what their temperature is, and merely take it hourly to appear efficient. Save big money on these glass rods that feel like the real thing when shoved under the tongue.

791—SWIZZLE STICKS SIMILAR TO FEVER THERMOMETERS 9¢ ea.

SPECIALLY DESIGNED RENTAL TV SETS. Constant picture flopper drives bedfast patients ape. That's why these hospital rental models were made with weak "Vertical Hold" mechanisms to discourage their use by those who can't get up to make frequent adjustments. Patients beg for sets to be turned off to preserve their sanity, but you continue collecting daily rental fee while saving vital electricity.

885—UTTERLY MADDENING TELEVISION \$99.50
(Available only in black and white, but no body will notice.)

DIAGNOSTIC PROFILE DATA READ-OUT MACHINE. Nicely equipped with 327 blinking lights, recorded clicking and whirring sounds, plus full set of electrodes for attachment to patients. Basic machine does nothing in particular, but computer unit (optional at extra cost) can be programmed to make out staff payroll checks while patient thinks he is getting vital heart and respiration tests.

3941—DIAGNOSTIC PROFILE DATA READ-OUT MACHINE \$495
3942—DE LUXE MACHINE WITH COMPUTER UNIT \$100,495

BUZZER RESPONSE TAPE RECORDING ends nuisance of answering patients' calls for service with live nurses. Cassette tape features a variety of reassuring recorded messages for broadcast over hospital inter-com system. Sincere feminine voice is guaranteed to keep patients pacified until they grow too weak to press buzzer or lapse into unconsciousness.

987—ANGEL OF MERCY RECORDING (30-minute Cassette) \$2.98

COARSE, SCRATCHY BATHROOM TISSUE. Among sick people, even minor discomfort can build up to the kind of nagging pain that lengthens a hospital stay. This low quality, abrasive tissue quickly makes patients dread "answering nature's call," yet it costs no more than ordinary soft textured brands sold for home use.

116—AGONIZING BATHROOM TISSUE \$1.89 dozen rolls

INTENSE BEAM PHYSICIAN'S LIGHT. As a medical person, only you know what you're hunting for when you shine that bright light in a patient's eyes. You're hunting for money and valuables in his pockets while he is blinded by the glare. New ultra-penetrating light gives you as much as five extra minutes of danger-free rummaging time.

699—LONG BLINDING MEDICAL EXAMINATION LIGHT \$17.50
(Long lasting medical batteries not included)

"LOK-TITE" BEDSIDE GUARD RAILS. End worry about nosy patients sneaking out into halls at night and discovering that your nurses' stations are all unstaffed after 9 P.M. These sturdy steel rails keep inmates in bed where they belong. High enough that efforts to climb out over the top will only result in nasty falls requiring longer hospitalization.

VIRTUALLY ESCAPE-PROOF BEDSIDE GUARD RAILS \$12.95 pair
COMPLETELY ESCAPE-PROOF ELECTRIFIED RAILS \$79.50 pair

We don't assign anyone "Swamp Duty" until he's had a thorough Medical Examination! But I can tell merely by looking at you men that you're all in great shape!

If those two are in GREAT shape, I'd sure love to see what you consider to be in just GOOD shape!

I could SHOW you, but we just buried 'em this morning!

This sure is some crocodile-infested, mosquito-laden, God-forsaken, dismal hell-hole of a place ... isn't it?!

Well, EVERYBODY loves it at first! But you'll soon change your mind!

Did some convict go mad ... and now they're chasing him with those butterfly nets?

No, they're chasing REAL BUTTERFLIES! The guards make extra money selling them to me! I pay twenty cents a ton! Here! Take a net and try it! See if you can catch a few million!

Thanks! I know where I can catch plenty! On the French Riviera!

See you guys around ...

For trying to escape, you have been assigned to this Maximum Penalty Prison! Here, we will break you, both physically and mentally! You'll be starved—degraded—until you develop cobwebs in your brain ... and butterflies in your stomach!

Can I be excused from that last part? I already have one on my chest!

They won't break me! There's plenty I can do in this cold, damp, smelly, tiny unlit cell! I can walk a lot! I can think a lot! I can exercise a lot! And mainly, I can CRY a lot!

Here is your first meal ...

A moldy, rancid potato ... and half a dead mouse?!? Is the food ALWAYS like this?

No! Lucky for you it's Bastille Day!

Boy! I've been here for seventeen months, and my mind is still as sharp as a tack!

It's a good thing I've got my wits ...!

And my doggie ...!

And my froggie ...!

And my dollie ...!

And my goo-goo ...!

Here's your dinner! There's a little extra in it today!

It's a note from Engraver! And look what he sent! Real Meat! A plate of real meat!!

Oh, my God, I can't believe it! Sob-sob! I can't believe it's liver! I HATE liver!!

All right! Tell me! Who's been sending you the fresh liver??

I wish I KNEW! I'd like them to switch to something ELSE!

You won't talk, eh? Well, I'm putting you in total darkness for a year, and I'm cutting your rations in half!

That's okay with me! I could use some dieting! I was getting as fat as a RAIL, anyway!

Personally, I thought you would crack by now from this awful treatment!

Well . . . I've had plenty of practice! I was MARRIED for 15 years!!

Here's dinner!

So?? Don't you LIKE bread and roaches?

Bread and roaches?! That's DINNER?

I LOVE bread and roaches! But that's what I had for lunch!

Psst! Hey! Old man! Why are we sticking our heads out of our cells like this?

They're giving us haircuts! To get rid of the LICE!!

WHAT?!? Well, I don't want a haircut! I've been EATING my lice . . . for dessert!

I will not go crazy!

I will not go crazy!

I will not go crazy!

Not crazy I will go!

Will go crazy I not!

Go will not I crazy!

I accuse you of a wasted life! You have done nothing constructive! And that also includes making this movie!

Hey, you! Cut out that entertainment in there!

This is a Maximum Penalty Prison!! That means we don't allow any daydreaming!!

GUilty!! WHAT entertainment?

Give me the name of the person who sent you that liver . . . and I'll have you put back on full rations!

That's some incentive! You think I'd rather have TWO ounces of maggot-infested slop than ONE . . .?

Look who's complaining about the food we serve! Since YOU came here, our Prison Exterminator quit! You EAT everything that walks, crawls and slithers in this place!

It's great seeing you again, Poppy! The rest seems to have done you good! And the fact that you never gave them my name has told me a lot about you, my friend!

No, that you're **STUPID!** So, now that you've been put through hell for trying to escape, what are you going to do?

One thing I've got to say for you, Poppy! You're a **SLOW LEARNER!**

What? That I'm brave?

Try to escape!

I was told by someone that you might be able to give me a hand—

Don't ever say, "give me a hand" here! This is a **Leper Colony!**

Okay! We will give you a boat so you can escape and get caught yet another time . . . if you pass a small test!

This test is to see how much we disgust you! Here! Puff my cigar . . .

You are a very brave man to take the cigar from the mouth of a hideous-looking Leper, and smoke it!

Well, I figured it can't be any worse than the cockroaches and beetles and spiders and maggots and worms and centipedes and slugs that I've eaten!

You—you've—choke—**EATEN** those things!? Take the boat and—gag—**GO!** Boy, are you **DISGUSTING!!**

H-how did I get here—a primitive **Central American Indian camp?** And where are all my friends . . . the men that I escaped with?

Well, if you'd like me to go back and explain, it'll take another six pages of this **MAD satire!**

No, thanks! I really think I've **SUFFERED ENOUGH** already!

May I stay?

Can I have a butterfly like that?

Sure! Can I have a woman like that?

Well, Poppy! My people and I have shown you a fantastic time! We have given you food, drink, clothes, even a fortune in pearls! What **ELSE** can we do for you?

You can all **DISAPPEAR**—be **GONE** when I wake up tomorrow!

But, **WHY!?!?**

Because this is **Paradise**, and I just can't stand all this constant **NO SUFFERING!**

In exchange for Sister Snow White's helping you through the checkpoint, you have given me your pearls to feed the poor! So, in turn, have done something for you! I've called for the soldiers to take you back!

Boy, that's some thanks I get! Just see if I ever play "Bingo" again!

When you finish your prison sentence, you can come and visit us again! Just ask anyone for directions to the Sisters of Judas Convent!

Lousi! Lousi Engraver! It's ME! Poppy!! I'm back . . . after another ten years in solitary!

Please! No stories about eating roaches and lizards and . . .

No, Lousi! I'm a Vegetarian now! I eat moss and slime and mold!

Well, now that you're back . . . what are you going to do?

ESCAPE!!

I figured as much! But it is impossible to escape from Devil's Island!

No, it's not! The answer is coconuts!

Poppy, I think you're bananas!

No . . . I think my COCONUTS!!

Are you coming with me, my friend?

No, I'm going to wait for my wife and lawyer to get me out! Oh, the misery those two have known! How they miss me! They miss me so much, they've had to live together and spend all my money, consoling each other!

Well, Lousi, the nuts are all in the water!

All except the Head Nut! I'll miss you!

I know! We really had a lot of laughs together! Try to keep your MIND as sharp as mine!

I will, Poppy! And maybe one night, I'll drift back here . . . and we'll go BOWLING or something!

Oh, yeah! Your mind as as sharp as ever!

GOODBYYYYYEEEE

After months at sea, Popicorn made it to shore, and back to France!

And now . . . perhaps you are saying to yourself, "I could never have endured such punishment!"

Well . . . you underestimate yourself! After all, you saw the movie—which was a prison term in itself . . .

. . . and then you made it through this satire! See? You're an even braver person than you thought!
